I am pleased to provide you a plaque with the United States Central Command (USCENTCOM) logo for display within your organization. Our logo depicts USCENTCOM's focus on the assigned Area of Responsibility, and the four-service nature of the command. Since establishment as the nation's sixth unified command on 1 January 1983, we have broadened our involvement and interest far beyond that originally embodied in our predecessor, the Rapid Deployment Joint Task Force. With your continued support, USCENTCOM stands ready to represent the interests of the United States in our assigned region.
